“SPIRALING INTO CONTROL: 4 STEPS TO QUANTUM BREAKTHROUGH”

*Spiritual entrepreneurs:
Learn how to engage
“inner change” to succeed
in business and life!*

You're committed to creating a successful business that will support a bountiful life. But do you experience these blocks?

- “I'm working hard to get ahead, but I feel off balance.”
- “I set goals, but on the road to achieving them, something always gets in my way.”
- “I *have* to succeed. I'd feel so defeated working for someone else.”

You're not alone. Often, business owners/entrepreneurs feel stuck or overwhelmed. They do all the right things on the outside – like having a mission statement, policies, and systems in place. But despite their best efforts, they fall short of their dreams. Like you, it's against their nature to quit. *They simply don't know how to move forward to make their vision real.*

**To achieve and succeed,
you must spiral
into control.**

Inspirational speaker Diana Repko will show you how to stop unconsciously undermining your efforts, use a timeless pattern – intentionally – to make changes happen, and engage your inner resources to achieve stellar results in your business and life.

In her “Spiraling *Into* Control: 4 Steps to Quantum Breakthrough” keynotes, workshops and retreats, Diana guides you through her proven process to stop the whirlwind and engage conscious change. You'll learn how to make important mental shifts to prepare for change. You'll practice proven techniques to tap into the amazing power within yourself. And you'll discover the blueprint to make quantum breakthroughs that last.

**Step forward *consciously* to
achieve business success
and live a vibrant life.**

With Diana Repko's 4-step process, you'll learn how to wield your inner tools, direct your innate power, and break through to lasting change. As Diana says, “*Right now, you have everything you need to create a vibrant life and business.*

Believe it!”

“Diana brought me into the present, into conscious awareness of my values.

I recommend her to anyone – or any small business – who needs focus.”

– M.B., North Ridgeville, Ohio

“This is one of the most interactive seminars I have attended. Diana individuated her presentation of the subject matter to meet everyone’s roles and expectations and to answer questions and solve problems.

I can honestly say that I am walking away with lots of useful information.”

—M.M., New York, New York

About Diana Repko

Diana Repko has the consciousness for creating breakthrough change. Thirty years ago, she endured an extremely difficult relationship, was stressed with massive consumer debt, and lacked direction in a life that was spinning out of control.

Today, as an author, speaker, and consciousness coach, Diana teaches spiritually minded entrepreneurs how to spiral *into* control. Her extraordinary 4-step process springs from decades as a teacher, mentor, and coach . . . and from her personal ability to make many breakthrough changes in her own life.

You can learn what Diana discovered – how to break through obstacles, direct your power, and enhance your life.

In her keynotes, workshops and retreats, Diana inspires and empowers audiences with her powerful concepts:

- You are the creative force in your life and work.
- You are hard-wired to *succeed at everything you do*.
- Consciously using your innate resources, you can create the life and business you want.
